# Welcome

Monachyle MHOR Hotel and Restaurant is set within a 2,000 acre estate in Scotland's first National Park, overlooking Loch Voil and Loch Doine. The hotel began life as a farmhouse and steading. It was transformed into a bed and breakfast business in 1991. Today, it is a luxurious 16 bedroom hotel and restaurant, which is setting the pace for bedroom design among Scotland's rural hotels. It has also become a real foodie destination. The hotel is owned and run by myself and my family, having taken over the business from my parents Rob and Jean Lewis in 1995.

I would like to take this opportunity of welcoming you to Monachyle Mhor, and if I do not get the opportunity to thank you for your patronage, please let me say it now.

Tom Lewis

*"Wine to me is passion. It's family and friends. It's warmth of heart and generosity of spirit.  
Wine is art. It's culture. It's the essence of civilization and the art of living."

## THE WINE LIST

We have a vast selection of wines from many corners of the wine world, each with its own character and style. While many people come to Monachyle Mhor to enjoy its peace and tranquility, or for outdoor pursuits, or they are attracted by the history of the region, eating and drinking still lies at the heart of almost every visit.

## THE WINES

Our team have nosed, 'whirled' and tasted each of the wines on this list and chosen the ones that they enjoyed most; and in which we feel will perfectly complement the food.

We will therefore be pleased to offer any advice and recommendations. Don't be afraid to try something different, and above all – enjoy yourselves.

frequently there must be a beverage”*
